

(P) Wear There's a Will (1/2) [15 Points]

Kalaallisut is an Inuit language spoken by around 50,000 people in western Greenland. Below are some sentences in Kalaallisut and their English translations. It may be helpful to know that **ɞ** denotes an **r** sound pronounced farther back in the mouth; **q** denotes a **k**-like sound made in the same place as **ɞ**; and **a** and **ε** are vowels.

Flax is a crop used for both its nutritious seeds and its strong fibers which are used to make linen fabric. A *fiancé* is a man who is engaged to be married (as opposed to *fiancée*, who is a woman who is engaged to be married). *Raw oil* is oil in its natural state, while *processed oil* is oil that has been treated so it can be used more easily for things like fuel, cooking, or manufacturing.

nuliaq anɞɞaamik iluaɞsaassisaq.	— <i>The wife will mend a coat.</i>
